IPT Annual General Meeting, Thursday 20 September 2018

A Video-graphic View of the "Infusoria" and other Small Invertebrates

**Maxwell Campbell, Active Naturalist, Microscopist and
Photographer for over 5 decades, President of the Field
Naturalist Club of Victoria (FNCV Inc.)**

Maxwell will illustrate this presentation with micro videos of common & not so common invertebrates from protozoans to some more familiar arthropods that can be found in microhabitats that surround us wherever we are.

The Field Naturalists Club of Victoria Inc. (FNCV) is Australia's oldest natural history group, established in 1880. Maxwell will discuss the many special interest groups focus on: Botany, Fauna Survey, Fungi, Geology, Marine Research, Microscopy and Terrestrial Invertebrates, plus a group especially for Juniors.

Date: Thursday 20 September 2018

Time:	Refreshments	5:30 – 6:00 pm
	Annual General Meeting	6:00 – 6:10 pm
